MR BASAVARAJ BOMMAI

"Sri Sathya Sai Sarla Memorial Hospital—Sathya Sai means 'Truthful', 'Omnipresent Spiritual

TESTIMONIALS

DR SUDHAKAR K
Minister for Health, Medical
Education and Family Welfare,
Government of Karnataka

"I am running short of words after seeing the children who have been given rebirth on the occasion of Sri Sathya Sai Baba's 96th Birthday Celebrations. I could see in the eyes of the parents, a kind of happiness and bliss, which stirs my heart. These families, who are below the poverty line, could not have afforded this kind of access to good health care, since it could cost lakhs of rupees in corporate hospitals. As a Health Minister, I know that Sadguru Sri Madhusudan Sai has accomplished what the Government has not been able to accomplish. In my opinion, the Government needs to replicate Sai's Model and I really do not have any hesitation in saying this!"
